TOWN OF MENDON
MASSACHUSETTS

ANNUAL REPORTS
of the
TOWN OFFICERS
of
Mendon, Massachusetts

including the report of the
SCHOOL COMMITTEE

for the

Financial Year July 1, 1990 — June 30, 1991

Calendar Year January 1, 1991 — December 31, 1991

DEDICATION

We are pleased to dedicate this Town Report to

GEORGE W. PHIPPS

November 6, 1934 - March 31, 1991

Selectman: March 22, 1971 - May 2, 1977

His love for fishing and antiquing was surpassed
only
by his love for his family and his town.

PROCLAMATION

September 8, 1991

Senior Citizen Day

whereas: Elders age sixty and over constitute 19% of the population in Massachusetts, and

whereas: The American dream includes a belief in self-reliance, a respected place in the community, and independence, and

whereas: Elders have provided valuable models of character, talent, wisdom, knowledge, and ability which have enhanced and continue to greatly enhance our society, and

whereas: As the people and the communities of Massachusetts enter a new era rich in promise and of economic change and social challenge, elders are actively accepting new opportunities and challenges, and

whereas: The presence of Councils of Aging, Senior Centers, Home Care Corporations, and Area Agencies on Aging helps to forestall or minimize the need for institutionalization of Massachusetts elders, and

whereas: The principle of elders helping elders is essential to the maintenance of life of elder independence,

Now, therefore, We, the Board of Selectmen of Mendon, Massachusetts, do hereby proclaim September 8, 1991, as "Mendon Senior Citizen Day."

Board of Selectmen

The year 1991 opened with our country involved in the Persian Gulf crisis, a military operation which was both successful and short lived.

For the first several months of 1991, everyone's attention was turned to the Middle East and the safe return of the troops.

Mendon participated in and dedicated its' Memorial Day Parade to our veterans of the Gulf conflict, as well as honoring the veterans of prior wars.

The poor economy continued to impact the area and kept pressure on both state and local budgets.

With a high spirit of cooperation and understanding of the town's fiscal needs, our department heads continued to provide the level of services we are use to with less money by finding creative ways to save and deferring any expenditures possible. They are to be congratulated on their hard work and response to the town's needs.

Of significant note, and despite the poor economy and tough fiscal times, Mendon has a new and much needed highway barn located on Providence Road. The building houses all of our highway and snowplow equipment, vehicles and equipment for the Parks Department and has a bay for the Fire Department for current and future needs. Mendon's Building Inspector, Tom Hackenson and his family, along with members of the Municipal Building Committee, Fran Irons, Roland Boucher, Chris Noonan and Lenny Mellen, developed a plan for the new facility and enlisted the aid of many residents and local businesses to construct the building at an affordable price. The Highway Department, under the direction of Tom Guerra, along with many contractors and volunteers gave unselfishly to make our building a reality. Much thanks goes to these individuals and everyone else involved for their tireless efforts to help Mendon continue to serve its' residents.

The year 1992 will be no less challenging.

Our schools are grappling with the changes in various regulations including the new school choice law.

Our budget will continue to take up a lot of time and thought and our department heads are working to live within lowered means.

And just as our Municipal Building Committee is finishing up the new highway barn, plans are being considered to convert the old barn into a police station.

On a positive note, 1992 is Mendon's 325th Anniversary and many residents and organizations are banding together to make the entire year a memorable celebration. We have already enjoyed a block dance in the center of town and a

ham and bean supper in the new highway barn. 1992 promises to be filled with many great events. The Board hopes that everyone gets to enjoy the upcoming festivities and stays involved with our town government.

Thank you.

During 1991, the Board acted on the following items:

1. Moved to accept the new Senior Center as Mendon's newest municipal building and thanked the many individuals involved for creating the new facility at no cost to the town.
2. Welcomed the Milford National Bank to Mendon after opening a branch bank in Lowell's Plaza.
3. Reviewed and reduced all insurance policies held by the town to lower premiums in a cost cutting move.
4. The Board votes to proclaim February 14, 1991 as Remembrance Day in support of our troops in the Persian Gulf. The Cub Scouts of Den 7, Pack 1 decorated Founders Park, the Civil War Memorial and the town hall with yellow ribbons donated by local florists.
5. The Board accepts the donation of a Persian Gulf Memorial Flag from Thomas Sawyer, Publisher of the Milford Daily News.
6. The Board recognizes Richard Grady for his twenty years of service as a Conservation Commission member and his receipt of the Massachusetts Association of Conservation Commission's Annual Service Award.
7. The Board is apprised of the Brothers of the Brush's desire to celebrate the town's 325th Anniversary with a year long list of events concluded by a parade and fireworks display. Richard Ferrucci, always active in local events, has agreed to chair the committee and oversee the event. The Board expressed its' excitement and support for the festivities.
8. The Board accepts a copy of the historic study and accompanying maps from Peter Coffin, on behalf of the Blackstone Valley National Heritage Corridor Commission.
9. The Board meets with other area Selectmen in Bellingham on March 14, 1991 to begin a series of discussions on sharing services and joint purchases to save money. Many ideas were exchanged and will be considered over the next year.

10. The Board grants a Restaurant/All Alcoholic License to Roberto's Restaurant located at 35 Hastings Street.
11. The Board grants a Tavern/All Alcoholic License to the "End Zone" located at 39 Milford Street.
12. The Board agrees to erect a banner welcoming home troops who served in the Persian Gulf.
13. The Board issues a Common Victualler License to a new restaurant, "Offshore Lobster & Seafood" located on Route 16.
14. The Board issues a Live Entertainment License to the "End Zone" Sports Bar located at 39 Milford Street.
15. The Board appoints Michael Bucciero to the Police Department as a reserve officer.
16. Both Mendon and Hopedale Selectmen, police chiefs and fire chiefs meet to discuss ways to help each other in times of emergencies and ways to combine services. This is the beginning of a series of meetings with other area towns to discuss ways to save money while maintaining services.
17. The Board recognizes departing member Robert Kelly on April 29, 1991, who is attending his last meeting as Selectman, as he is not running for re-election. Bob receives a citation from Representative Marie Parente personally, as well as one sent to him by Senator Louis Bertonazzi, honoring him for his years of service to the Town of Mendon.
18. The Board meets on May 7, 1991 and welcomes newly elected Selectmen Kevin Rudden. The Board also reorganizes and elects Joseph Fabbriotti as Chairman.
19. The Board grants a Class I Dealer's License to Donald Keller d/b/a Eastacres Recreational Vehicles located at 10 Cape Road.
20. The Board awards the contract for auditing the town books to Brown & Barrett, CPA.
21. The Board holds a public hearing for Nightbeat's request for a Live Entertainment License. Due to an overflow crowd, the meeting reconvened in the upper town hall, but the meeting is recessed due to the petitioner's lack of ability to produce the proper documents.
22. The Board is notified that the DEP is holding a public hearing regarding the Board of Health's failure to follow title 5 requirements.

23. The Board awards of Certificate of Appreciation to Brian D'Alessandro, who drew what will be the official logo of the 325th Anniversary Celebration.
24. The Board is notified by the Town of Upton that they will no longer be sharing the senior van and are contracting out with a private vendor. The Board agrees to try and find another community to share the van with and will continue to fund it alone as long as possible.
25. The Board discusses increased security for the town hall building after vandals discharged fire extinguishers throughout the building.
26. The Board sends a letter of appreciation to Ian Denton for over nineteen years of service on the Conservation Commission. Mr. Denton stepped down for health reasons.
27. After two years of negotiations, the Board signs a three year contract with the Mendon Police Association on June 24, 1991.
28. The Board is informed that health insurance costs are increasing dramatically, some plans as much as 40%.
29. The Board grants Selectman Clerk Claudia Cataldo a leave of absence as she is expecting twins.
30. The Board appoints Jean Bavosi as interim Clerk during Claudia's absence.
31. The Board agrees to meet with the Upton Board of Selectmen to discuss sharing police dispatch and lockup facilities in their new facility.
32. The Department of Revenue informs the Board that the towns' free cash deficit now stands at \$249,411.00.
33. Damage on August 19, 1991 by Hurricane Bob discussed by department heads and the impact it had on town finances.
34. The town holds it's kickoff for the upcoming 325th Celebration, a block dance that was a huge success held in the center of town on August 24, 1991.
35. A Live Entertainment License is granted to Nightbeat Lounge located on Route 16 after the second public hearing is concluded.
36. The Board is informed that the Police Association has filed a criminal complaint against Town Accountant, Geraldine Wallace over an overtime pay dispute. The charge was later dismissed.

37. The Board proclaims Sunday, September 8th, 1991 as Senior Citizens Day.
38. The Tax Classification hearing is held and Mendon adopts a single tax rate for all properties with a rate of \$11.08 per thousand.
39. The Board is informed that Massachusetts Electric will perform a full energy audit of all town buildings and install energy efficient lights at no charge.
40. The Board participates in Millville's 75th Celebration Parade.
41. The Board starts the budget process early and asks all department heads to work with the Finance Committee.
42. The Board is informed of Tennessee Gas Company's desire to increase its' 8" gas pipeline in town to a 24" line with large land clearings to occur, as well as street cuts.
43. Howard Miller is appointed Town Hall Custodian.
44. The Board agrees to pursue quarterly tax billing to slow down the amount of money the town is borrowing.
45. The Board grants a Restaurant/All Alcoholic License to "The Deck" Restaurant located on Route 16.
46. The Board is notified of Tennessee Gas's intent to construct a pumping station off of Thayer Road.

Council on Aging

The Council on Aging respectfully submits their report for the year ending December 31, 1991.

Appointed to the Council on Aging in 1991 by the Board of Selectmen were: Shirley Kreson, Pauline Johnson, Fred Magee, Catherine Holmes, and Mary Nealley. During 1991 the Council accepted resignations from Marion Stevens, Thomas M. Hackenson, Dorothy Phillips, Donna Lapsley, Nancy Leutert and Fred Magee.

On January 7, 1991, the Council on Aging met with the Board of Selectmen to officially present the town the Senior Center building to be used as a meeting place for our senior citizens. The Council requested town funds to support the building. Money to fund heat and lights was voted in at the May annual town meeting.

Van transportation, school hot lunch program, Visiting Nurse clinics, vision screening, fuel assistance, exercise classes, movies, food distribution and referrals to numerous elder service programs were offered throughout the year by the Council office.

September 8, 1991 was proclaimed Senior Citizen Day by the Board of Selectmen. Miss Martha Lowell was honored as Senior Citizen of the year by Selectmen Chairman Joe Fabbriotti and Senator Lou Bertonazzi. A chicken barbecue given by the Mendon Lions Club was hosted by Mr. & Mrs. Jim Ferrucci on Bellingham Street.

In September the Council applied for a state formula grant from the Executive Office of Elder Affairs. The grant was approved and received by the town in December. The grant will help to defray the operating cost of the senior van.

Newsletters were sent to the homes of all residents age 60 and over in January, March, May, July, September and November. Because of the generosity of the Friends of Mendon Elders and use of their postal permit the newsletters could be mailed.

Thanks to the Miscoe Hill students, Daisies and Girl Scouts, flowers and flowering fruit trees were planted at the Senior Center in the spring .

A sincere thank you to everyone who donated to the pavement fund. The Senior Center is now totally handicap accessible.

In December the Mendon Police Association sponsored a turkey dinner for the seniors and delivered meals to homebound seniors that could not attend. Following the dinner, Debra D'Alessandro's 4-H group provided entertainment.

Thank you to all the other town departments that have contributed their time and services to the Senior Center to help make our first year successful.

Respectfully submitted,

Peggy Phipps - President

Karen Lowell - Coordinator

Highway Surveyor

The following is a list of projects completed during calendar 1991:

Mowry Street:

From Uxbridge Road northly to house no. 84, trees and stumps were removed for road widening, 48" x 40' culvert was added at Meadow Brook, road was pulverized and fine graded to 18 feet wide for a length of 2400 feet. 2 " of bituminous concrete binder was applied.

Washington Street:

From Northbridge Road to house no. 39, trees, stumps and ledge was removed for road widening, (3) catch basins were constructed, 18" x 40' culvert and 12 " x 382 feet of pipe. Road was pulverized and fine graded to 22 feet wide for a length of 2600 feet. 2 1/2" of bituminous concrete binder was applied.

Park Street:

From Uxbridge town line to house no. 86. Type 1 hot top 1 3/4" thick 1200 feet.

Pleasant Street:

From Millville Street 1910 feet. 1 1/2 " type I hot top .

Southwick Street:

From Uxbridge town line 470 feet. 1 3 / 4 " type I hot top .

Asylum Street:

From house no. 29 to house no. 26. 566 feet of 2 " type I hot top .

Asphalt cement crack filler and seal was applied to George, Emerson, and sections of Washington and Millville Streets.

Catch basins were repaired on North Avenue, Edward Road, and Hartford Avenue East. Two catch basins were moved 4 feet out of the roadway on Hartford Avenue East, near Plain Street.

August 19, 1991, Hurricane Bob generated debris town wide. The highway department worked for three weeks cutting, chipping and cleaning. Federal Emer-

gency Assistance was approved and the town will be receiving \$7, 361. 00 from the federal government.

The highway department moved from 20 Main Street to 66 Providence Street in November 1991. All highway and park department equipment and the senior van is now garaged in this new building. The cost of the building was \$157,000.00 and the floor space is 9,920 square feet.

The fire department will utilize approximately 900 square feet. This building would not have been a reality without the efforts of former and present officials, plus numerous donations of equipment and time, of residents, contractors and utilities.

Many thanks to all.

Respectfully submitted,

Thomas P. Guerra

Board of Appeals

The ZBA had a relatively slow and uneventful year, probably due to the reduced level of real estate activity.

The board is working on a new application form and a revised fee schedule. Comments would be welcome.

New rules were developed for comprehensive permits (concerning low income housing) as required by the Commonwealth.

Respectfully submitted,

Don Keller Chairman

Conservation Commission

In the year 1991, the Mendon Conservation Commission worked with several building proposals that were under the jurisdiction of the Wetlands Protection Act (Mass. General Laws 131-40). This law requires that any filling, dredging, removing, or altering within one hundred feet of wetlands or land subject to flooding be regulated by an order of conditions. A notice of intent was filed for each of the following proposals:

Subdivision	East Woods Estate	Off Neck Hill Rd., Daisy Hamilton
Lot 8	Swandale Drive	Samik Homsí
Lot 1	Providence Road	Arthur Paddock
Lot 10	Swandale Drive	D. E. Stewart
Lot 7	Pleasant Street	Peter Coffin
Lot 2	Lowell Drive	Workingmen's Coopera- tive Bank
Lot 1	Forest Park Drive	James Campbell
Swimming pool	Northbridge Road	John Coluci
Beach Maintenance & Street Draining	Taft Avenue	Park Department
Pipeline Project		Tennessee Gas Company
Septic repair	111 North Avenue	Howard Phipps
Subdivision	Quissett Hill Estates	(Denial) A. Carboni

The twentieth annual town cleanup was held on April 6, 1991. One hundred five residents participated in cleaning up Mendon's roadsides. The Commission expressed gratitude to all who helped, particularly Duane Nelson for donating trash bags, N.E.W.S. Trucking for providing a dumpster, and the Mendon Lion's Club for providing lunch for all the workers. The Commission also thanked Garelick Farms, 495 Rental, Pop 'N Kork, Nissen's Bakery, DeCosta's Market, Kimball Trucking, the Mendon Highway Department, and the Mendon Police Department.

Arbor Day ceremonies were conducted on April 26, 1991 at the Henry P. Clough School. The Miscoe Hill Middle School Student Council, Mendon Girl Scout Troop 768 and Brownie Troop 314 planted five Bradford pear trees at the school site, four trees at the Mendon Senior Center, and one tree along Main Street. The trees were donated by the Milford Rotary Club, Mr. and Mrs. Paul Garagliano, Florence Thomas, Bill Aten, Mike Ammendolia, Brownie Troop 314, Michael Rudden, Chris Wagner, Ricky Grady, and Girl Scout Troop 768.

Lake Nipmuc was treated for its annual weed maintenance program in June by Aquatic Control Technology Inc. of Northboro.

Ian Denton announced his retirement from the Conservation Commission in June. He had served since 1978. Ian was an outstanding town official; he worked for thirteen years in-behalf of protecting Mendon's wetlands and water quality and preserving open space.

Kevin Rudden gave up his seat on the Commission to ascent to the Board of Selectmen. He worked diligently to protect the Town's environmental and fiscal concerns by writing by-laws that received voter approval at town meetings.

Susan Robertson also had to step down as a member due to increased workload and responsibilities in her professional business field.

Michael Ammendolia, William Aten, and Lois Taylor were welcomed as new members.

Board of Health

In July, 1991 the Board of Health signed a new Rubbish Contract with East Coast Disposal of Lynn, Ma. The new contract was decreased \$30,000.00 from the previous contract.

The Board of Health along with the Recycling Committee continue to have much success with the Town's Recycling program. The results show a reduction in the tonnage being brought to Wheelabrator, Inc. The goal for 1992 is to show a continued reduction in the tonnage. We can all help by making the Mandatory Recycling Program become a success.

The Board again this year continued to fund the Visiting Nurses Association. The Visiting Nurse Association in conjunction with the Board of Health sponsored the following Health Screening Clinics:

Clinics	Numbered Attended
Elder	66
Flu	259
Well Child	<u>7</u>
Total	332

The Annual Rabies Clinic held April 27, 1991 treated 15 dogs and 6 cats.

The Board signed and approved the following plans:

16	Septic Plans
5	Revised Septic Plans
1	Tight Tank
3	Repairs

The following Permits were issued by the Board of Health in 1991:

Permits To Operate A Food Establishment	34
Catering Permit	1
Carbonated Non-Alcoholic Beverages, Soda	1
Water, Mineral Or Spring Waters Permit	

Offal Permits	12
“Disposal Works” Installers Permits	17

Planning Board

In 1991 there was one (1) subdivision plan approved by the Board.

White Pines Estates - Off Providence St.

There are several subdivision plans still under consideration. The board is also reviewing several revised definitive plans.

Numerous 81P Plans were submitted.

In April 1991, R. Bruce Jamieson regretfully resigned from the Planning Board. Bruce's many contributions and leadership will be greatly missed.

The Board welcomed two new members in 1991, Alan Tetreault and James Flynn.

Housing Authority

The Mendon Housing Authority administers two programs. At Sunrise Apartments we have 30 units under Chapter 667, state-aided low rent housing for the elderly. Under Chapter 707 Rental Assistance for low income families, we have one certificate. To be eligible for either program, the income limits are:

One person	\$ 19,992
Two persons	22,848
Three persons	25,704
Four persons	28,560

Assets may not exceed \$15,000 or one and one-half times the net income, whichever is greater. We had 6 vacancies in 1991 which have been filled and our only 707 certificate is in use. The Authority wishes to thank the Mendon Highway Department, Mendon Police Department, the Firefighter Association wives, and the Mendon Girl Scouts for their contributions to the safety, comfort, and happiness of the Sunrise residents during the past year.

Respectfully submitted,

Margaret Tetreault
Executive Director

Library Trustees

During 1991 the Taft Library Trustees continued to enhance services for library patrons by completing the computerization of essential library functions, authorizing necessary building maintenance, and providing enhanced programing for children and adults.

The entire circulation system for the library along with the ability to make catalogue cards is now computerized. During this process, the library collection was inventoried.

Close to 600 children and adults attended a variety of educational and entertaining programs. Highlights of the series included a very successful Summer Reading program and the newly implemented bi-weekly preschool story hours. Library assistant, Linda Pomeroy, and the Friends of Taft Library are thanked for making these programs possible.

Needed repairs to the chimney, the front steps and library furniture were contracted out and completed this year.

Resignations were accepted from Library assistants Kay Holmes and Linda Pomeroy. Pat Dwyer was hired as Library assistant.

Respectfully submitted

Carole Baptiste, Chairman

Taft Public Library Trustees

The circulation of materials for 1991 (231 days) was 6395. Circulation by classes was as follows: fiction 2,288; magazines 408; juvenile 2,154; biography 50; history and travel 113; literature and fine arts 340; science and useful arts 434; cassettes 117; video tapes 180; all others 311.

During the year 539 new books were added. Most of our holdings are now entered into the computer and we are able to check books in and out electronically.

During the year we regretfully accepted the resignations of Mrs. Catherine Holmes and Mrs. Linda Pomeroy.

We are pleased, however, to welcome again the services of Mrs. Patricia Dwyer.

We continue to avail ourselves of the services of the Central Massachusetts Regional Library System. Through their bookmobile and additions to our own collection we are building a large print collection.

The book drop is being well used. We continued to have a good number of researchers and borrowers from other towns. Our Local History and Genealogy section is used almost daily.

Our thanks to our assistants Mrs. Rosamond Heglund and Mrs. Patricia Dwyer, our aides Miss Risa Eldridge and Mr. Kevin Hastings and our custodian Mr. Austin B. Taft.

Respectfully submitted,

Lorna F. Rhodes

Park Department

The Park's Department had another good year even though the fiscal economy is not great. Through gracious donations and hard work, the Park Department was able to clean an area around the playground, including the spreading of wood chips.

The Park Department also cleaned Bicknell Cemetery, Pine Hill Cemetery and Old Cemetery.

At Memorial field, we removed all the brush along Millville Road and replanted the grass along the stone wall. This action gives a better view of the ball field.

The Park Department has added the Senior Center and the Housing for the Elderly to its regular mowing duties.

Fire Department

For the year ending December 31, 1991 the Fire Department reports the following summary of calls:

Structure	4
Vehicle	6
Chimney	3
Furnace	6
Gas Grill	1
Electrical	4
Motor Vehicle Accident (With personal injury)	12
Motor Vehicle Accident (Without personal injury)	4
Hazardous Material	4

Oil Burner Inspections	45
Smoke Detector Inspections	89
Brush Fire Permits	676
Blasting Permits	17
Black Powder Permits	5
LP Gas Permits	23
Flammable Liquid Permits	5
Total	1026

Income received from permits, inspections and insurance reports total \$1,425.00.

For the past several years, we have made a request for a First Line Pumper. With each passing year, the cost of a First Line Pumper increases an average of 12 to 15%. I believe it would be to our financial advantage to act now.

We must put a capital improvement plan into effect this year, replacing one piece of equipment every third year. We look to the Board of Selectmen for their support, and must look to the future and plan accordingly.

All members of the Fire Department received training in CPR and First Aid, provided by certified instructors of The American Heart Association.

The members of the Fire Department will continue to be trained by The Massachusetts Firefighting Academy to keep them current on all the new firefighting techniques.

The officers and members of the department have done an excellent job in providing our townspeople with Fire Protection, emergency medical treatment at auto accidents, assistance in water emergencies, storms, etc. Provided we have updated emergency equipment, the members of the department will continue to do an outstanding Job.

With the assistance of The Uxbridge Fire Department, we have replaced 3,000 feet of Fire Alarm Wire on RT. 16, which was damaged by Hurricane Bob.

We have applied for and received notification that we will receive assistance from The Federal Emergency Management Agency, to help recover expenses incurred from Hurricane Bob.

Insurance payments of fire losses were one million four hundred thousand dollars.

I wish to thank The Board of Selectmen, and all Town departments for their assistance in 1991. I also wish to thank all Mendon residents for their continued support, and the officers and members of The Mendon Fire Department for their hard work and dedication to the department.

Respectfully submitted,

Gioachino F. DeLuca

All officers received training in CPR and First Aid. This training was provided by certified instructors of the American Heart Association, including Mendon Detective Ernest Horn.

All officers were trained and qualified with their service weapons. These officers received specialized training on a combat range. Training was provided by our own certified instructor from Ma. Criminal Justice Training Council (MCJTC) Detective Ernest Horn.

The Mendon Police Department and the Mendon Highway Department, together, have constructed a weapons range on town owned property. The officers can familiarize themselves with their weapons during reasonable hours. The officers can target shoot or qualify with their weapons in our own town.

All officers were trained and qualified with department shotguns.

All full time officers received a one week course of In-Service (classroom) training, provided by MCJTC in Foxboro.

All Reserve officers received a 27 hour course of In-Service training, also provided by MCJTC at Foxboro.

The Mendon Police Department is still an active member of the South County Task Force. The Mendon Police have played an integral part in the apprehension of many criminals, including drugs, robberies, housebreaks and other crimes against the person. We are part of an eleven town effort to combat drugs and crime. We continue to work closely with the CPAC unit of the District Attorney's Office.

The Mendon Police have begun teaching the D.A.R.E. (drug abuse resistance education) program to sixth grade students of the Miscoe Hill Middle School. Lt. J. Martin Auty is the D.A.R.E. officer for the town of Mendon and has spent many hours teaching and working with the children. The program has been a

huge success. We have received much support from our Board of Selectmen, from the Superintendent of schools Dr. David Crisafulli, from school principal, Mr. William Milligan, all the teachers and students. Many local businesses, including the Mendon Lions Club, have been quite generous to this cause. The children learn how to say no. They learn how to handle peer pressure. They learn how NOT to use drugs.

We added a Reserve Officer to the force in 1991. Officer Michael Buccero of Blackstone. Mike was a former Mendon Reserve Officer. He also worked as a police officer for the town of Bellingham. Mike brings with him much knowledge of the job. Mike is a very professional, dedicated officer and we are proud to welcome him back. Mike received thirty two weeks of Reserve Basic Training, on his own time and his own expense.

Officer Lisa Mottola received specialized training from MCJTC on Interview and Interrogation. She completed training in Domestic Violence. She completed training in Rape Investigations, and she also completed a course in Child Abuse Investigations. Lisa is part of a three man squad, headed by Sgt. Philip Dunlavy, to investigate crimes of rape, child and sexual abuse.

Chief Dennis P. Grady completed a course on Labor Relations and Employment Issues.

Lt. J. Martin Auty is the D.A.R.E. Officer. Lt. Auty completed a course on Progressive Discipline, and received one week of In-Service Training at Foxboro, MCJTC.

Sgt. Philip Dunlavy received specialized training on the teletype computer. He attended a course from the Criminal History Systems Board at UMass in Worcester. He is the LEAPS representative from our department. He heads the squad of rape and abuse crimes. He received one week of In-Service training at Foxboro, MCJTC.

Detective Ernest Horn is our weapons officer. He assists all training on CPR and First Responder. He is our court officer. Detective Horn is a member of the South County Drug Task Force. He completed one week of In-Service training at Foxboro, MCJTC. Detective Horn completed a three day course sponsored by DEA in Hyannis on International Narcotics. He completed a college course at Rogers Williams College in R.I. on Criminalistics. He completed another college course at Community College of R.I. on Law and Contemporary Society.

Officer David Shane completed one week of In-Service training at Foxboro, MCJTC.

Officer William McClintock completed one week of In-Service training at Foxboro, MCJTC.

I wish to thank the Board of Selectmen, and all the town departments for their aid and support during 1991. A special thanks to all the citizens of Mendon for

their support. The Mendon Police Department is attempting to seek funds to renovate the old highway barn into a police station. I ask support from all the town departments, and all the fine people of Mendon, to make this a reality. I look forward to working with all of you in the upcoming years.

Respectfully submitted,

Dennis P. Grady

Regular School Committee meetings are held at the Blackstone Valley Regional Vocational Technical High School, Pleasant Street, Upton, MA on the third Thursday of each month in the School Committee Conference Room at 7:30 p. m.

The Blackstone Valley Vocational Regional School District completed twenty-five years of educational service to its thirteen member towns on June 11, 1991. Since its opening in 1966 the Blackstone Valley Regional Vocational Technical High School has delivered vocational-technical education to approximately 10,000 people (high school and adult students) throughout the region. The positive impact on industry, business, individual lives and communities which comprise the regional school, has been most significant over the last one quarter century.

School year 1990-91 was a typically successful year of operation. The vocational regional school district provided viable and applicable vocational-technical

education for 682 high school students, 212 adults and 38 post secondary students.

The high school day program delivered a dual integrated Program of Study to young men and women (grades 9 through 12) which consisted of traditional academic study and specialized vocational-technical preparation for 180 days. Each day started at 7:55 a.m. and concluded at 2:00 p.m. from August 22, 1990 to June 11, 1991. Special education services were provided for 172 students.

The evening school program for adults, seeking vocational-technical competencies (14 programs) or avocational skills (12 programs), was available in the fall and spring semesters, Tuesday and Wednesday evenings. Financial support for adult education was sustained with fees paid by the participants.

The ASSET Program, a model post-secondary collaborative venture with the Ford Motor Company and Quinsigamond Community College, continued to generate extraordinary interest of students seeking highly specialized automotive technology training in pursuit of an Associate Degree in Applied Technology. Tuitions paid by students offset instructor salaries and other educational expenses. Ford-Mercury dealerships provided regular on-the-job training for all students engaged in the two-year Program of Study.

The primary mission of the Blackstone Valley Vocational Regional School District is focused on delivery of comprehensive, relevant and effective vocational-technical education for high school students. The remainder of this report illustrates clearly that school year 1990-91 maintained direction and continuity with the original purpose of the system. Likewise, citizens unfamiliar with the system may become apprised of the district as an educational resource.

Class of 1991

The Class of 1991 entered Valley Tech in the fall of 1987 and completed the prescribed Program of Study in the spring of 1991. One hundred and sixty-two young men and women were awarded high school diplomas and vocational-technical certificates by Mr. Kelton Johnson, Chairman of the Regional Vocational School Committee, on Saturday, May 18, 1991 at outdoor ceremonies on the school's athletic grounds.

The graduates were led by President Frank Kawecki (Blackstone), Vice President Julie Trudel (Douglas), Secretary Tina Brideau (Grafton) and Treasurer Nancy Trudeau (Uxbridge). Class advisors, Mrs. Ann Nigro and Mrs. Sandra Rice, served as faculty marshalls for the graduates.

Dr. Michael Fitzpatrick, formerly of Milford and currently Director of Professional Development at Fitchburg State College, addressed the graduates. He encouraged them to continue to pursue their aspirations and to strive to make the world a better place for all human beings. He reminded them that the mantle of responsibility was entrusted to them by citizens of the Blackstone Valley Region.

Cooperative Education initiated in 1969, continued as a primary effort designed to provide students with genuine work-experience, at a work site where their vocational-technical competencies were applied and refined. Sixty-three (63) seniors were placed during the school year and acquired on-the-job training from employers who paid the students for their services. Approximately \$200,000 was earned by cooperative education participants. Job performance was assessed by employers, which in turn was translated into school marks and credits applicable to graduation requirements. The majority of the participants subsequently were offered full-time employment following their apprenticeship. Given that the region was in deep recession, it is remarkable that regional employers collaborated enthusiastically with Valley Tech by supporting the Cooperative Education Program. The school system is grateful and indebted to employers for extending student opportunities in the real world.

Placement of graduates from the Class of 1991 revealed the following:

Classification Full Time Gainfully Post-Secondary Seeking

Classification	Number
Full Time Military	11 6.68%
Gainfully Employed	75 46.3%
Post Secondary	43 26.5%
Education*	

Seeking	30 18.5%
Employment	
Unkown	3 1.9%
Total	162

*Most of these students were employed but due to their decision to pursue more education, they were classified accordingly.

A significant number of graduates were recognized with monetary awards (scholarships/grants) for their performances and achievements as outstanding vocational-technical students. A grand total of \$20,350 was distributed among 45 graduates. Sources of scholarships and grants originated from: Nine Memorial Funds,

Alumni Association, V-T Teachers Association, Hotchkiss Foundation, Emerick Foundation, AFL-CIO, Upton Police Association, Milford Police Association, State Mutual Insurance Co., Mass. Secretaries Association, Foster-Forbes Co., Risteen Foundation, Upton Bloomer Girls, Upton Grange, Upton Women's Club, St. Marks Church, N.E. Electric Co., Dudley Hall Institute, Ohio Diesel Institute.

As customary, the Regional Vocational Technical High School continued to serve member towns in conjunction with student training programs. Citizens throughout the Blackstone Valley region availed themselves of the Three Seasons Restaurant during the school year. Likewise, automotive repairs were provided by Automotive Technician and Auto Body programs. Graphic Arts and construction programs (carpentry, electrical, plumbing and painting/decorating) delivered appropriate services as part of the curriculum designed to enhance acquisition of student competencies. A major renovation/construction project - a two year effort - was initiated in the town of Bellingham. The former Keough Elementary School will be converted into an administrative center for the local school department. Those mutually reciprocal arrangements are beneficial to both the learners (students) and the communities/citizens. Students apply/refine

their skills while residents expend minimal financial resources when public service projects are undertaken.

Due to the shrinking of high school populations and the loss of substantial state aid, the vocational regional school district committee initiated an educational delivery plan to reduce staff and expenditures for school year 1990-91. The entire operation was examined carefully to determine minimum staff requirements needed to provide and maintain standardized/qualitative educational programs. Adjustments were made accordingly. Below are the results of the implemented educational delivery plan.

The School Committee and school administration worked diligently to contain expenditures and to deliver specialized vocational-technical education second to

none. Although limited in resources, each genuinely believes the vocational regional school district was served very well.

Discussions have begun to adapt the educational delivery system to changing times which reflect an aging population, a declining work-force population and the need for more adequately and technically prepared individuals who aspire to pursue careers in an internationally competitive workplace. Fundamental modification in the preparation of students - high school aged and adults - is central to the issue of sustaining a viable and appropriate vocational-technical education system.

Throughout the school year, the General Advisory Committee and various craft committees have made invaluable contributions to the operation and direction of the vocational-regional school district. Everyone is deeply indebted to the volunteers for their sage advice and commitment. Likewise we express genuine thanks to all who have supported this unique vocational education enterprise. With continued cooperation and involvement from all segments of the citizenry, within the thirteen member towns, "Valley Tech" looks forward to the future. Sustained by twenty-five years of successful service, the next quarter century should be equally beneficial to everyone who values purposeful and accountable education. Respectfully,

Respectfully submitted,

Eugene D. Picard
Superintendent-Director

TO THE CITIZENS OF MENDON AND UPTON

The Mendon-Upton School District is an excellent school district. Recent State Basic Skill and Assessment tests place the district in comparison with such communities as Lexington and Acton and scores on the tests indicate comparable levels of learning. Previous scores of California Test of Basic Studies indicate students at all levels were two grades above grade level for three consecutive years. The Senior Profile rose from forty-four percent (44%) of students in 1987 continuing their education to eighty percent (80%) from 1988 to the present. This level of achievement has been challenged in recent years due to decreasing financial commitment by the State and the district communities.

The 1991-1992 budget was developed to maintain 1990-1991 staff and program levels, with the 1990-1991 budget having been reduced from the previous year due to cuts in funds from the state and district communities totaling \$226,822. Due to further cuts from the state and less-than-requested support from the communities, the actual 1991-1992 budget became a negative growth budget.

Several years of negative growth budgets have resulted in staffing cuts, the elimination of programs, use of outdated texts, inadequate instructional materials and, in some cases, increased class size. All of these issues have jeopardized the quality of education we provide and limit our ability to provide a full instructional program. The following is a specific list of measures taken by the Mendon-Upton Regional School District Committee over the last three years:

SCHOOL CHOICE

In July, 1991, the Commonwealth of Massachusetts adopted legislation allowing students from one community to transfer to public school districts in other communities who opted to accept them. To finance this program, the state diverted its local education aid from the community the Choice student resided in to the community accepting the student. The Mendon-Upton district had eleven students from other communities choose to attend district schools in 1991-1992. Twenty-six Mendon and Upton residents chose to attend public schools in other communities.

In an effort to reduce the financial impact of the transfer activity upon the school district, an application for School Choice Reimbursements Pursuant to Chapter 493 of the Acts of 1991 was submitted to the Massachusetts Department of Education in January, 1992.

In order to address concerns that were instrumental in placing a student in another district, the School Committee sent surveys to parents of Choice students. Results of the surveys were used to assist in determining immediate and long-range goals for providing educational opportunities in our communities.

INSTRUCTIONAL

At the elementary level, an alternating full day kindergarten program was introduced. This has allowed for increased instructional options and reduced transportation costs. An optional full-day kindergarten program is being considered for 1992-1993. A trimester assessment and reporting system replaced the quarterly report cards in order to provide parents a more effective review of student progress.

In the high school, an advisor/advisee program was implemented to encourage more open communication between students and staff. Small groups of students meet with an assigned teacher on a regular basis to exchange ideas and concerns. The change from a seven- to eight-period day has allowed students greater schedule diversity. The 1992-1993 course offerings are being updated to provide a wider selection of courses including Advance Placement courses. A wider selection of courses will also be made available through the Blackstone

Valley Educational Compact when it is implemented. Through the Compact, the Blackstone-Millville, Hopedale, Mendon-Upton and Uxbridge school districts plan to open certain course offerings to students of member schools.

At all levels, an "Outcome Based Educational Program" is being developed to increase teaching and learning effectiveness. The educational structure is being reviewed and current teaching methods examined. The "outcome" of such a program will be a teaching environment that maximizes student learning. Administrative reorganization will support this effort. The success of this program will depend on communication, community interaction and increased financial commitment.

COMMUNITY INVOLVEMENT

A "Community Study Committee" was formed to address a variety of community issues regarding school finance, educational data and relevant practices to assist the School Committee in improving community relations. The Kindergarten Task Force, consisting of staff and parents, developed recommendations for the optional full-day program that is being considered. Another group of staff and parents has met to review and make suggestions regarding course offerings at the high school. The School Committee considers such input invaluable to their decision-making.

In closing, the School Committee would like to recognize one of its fellow members, William C. Young. Since his retirement in 1991, Mr. Young has volunteered his time four days a week in the Administration Office. Through his efforts our computer records have been updated and upgraded. His fiscal expertise has added an extra dimension to our financial analysis and reporting. Efforts such as Bill's and those of our dedicated staff and parents have allowed the Mendon-Upton Regional School District to maintain a level of excellence during some difficult times.
